

## Online registration

Logging in allows you to continue as a guest or to create a user name and password for future use.

The screenshot shows the top navigation bar of the Dane County Sheriff's Office website. It includes the Sheriff's Office logo on the left, a search bar on the right, and a menu with items: Divisions, Resources, Crime Tips, Events, Links, and Contact. Below the navigation bar is the header "DANE COUNTY SHERIFF'S OFFICE". The main content area is titled "LOGIN" and features a "Continue As Guest" button. Below this are input fields for "User Name/Email" and "Password", followed by a "Login" button. At the bottom of the login section are links for "Create an account" and "Forgot your password". The footer contains the text "County of Dane | Contact Us | About Us | Employment | Press Releases" and "If you have questions or concerns about our website please contact our webmaster.", along with social media icons for Twitter and Facebook.

*NOTE: Creating a user name and password will allow you to update information and then access that information when you need to register again or update information.*

For better security, you will be sent a verification code. Two factor-authentication is becoming a standard for on-line security.

The screenshot shows the verification page of the Dane County Sheriff's Office website. It features the same navigation bar and header as the login page. The main content area is titled "CHOOSE YOUR VERIFICATION DELIVERY METHOD". Below the title is the text "We need to verify your identity. You can change/add a number where we can text you at after your identity has been verified." There is an "Email" section with an input field containing "n...@danesherriff.com" and an "Email »" button. Below this is a checkbox labeled "Don't ask me for a verification code again using this browser on this computer." The footer is identical to the login page, including the text "County of Dane | Contact Us | About Us | Employment | Press Releases" and "If you have questions or concerns about our website please contact our webmaster.", along with social media icons for Twitter and Facebook.

Once you have established a login, you can add a cellphone and choose to have a text sent instead of an email with the verification code.

Once the verification codes is sent, you will enter it here.

*[If you don't see the email, check your junk mail.]*

The screenshot shows the top navigation bar with the Dane County Sheriff's Office logo on the left and a search bar on the right. The main header reads "DANE COUNTY SHERIFF'S OFFICE". Below this is a section titled "VERIFICATION CODE". The content area contains the text "Please enter your 6 digit code" followed by a text input field. Below the input field are two buttons: "Verify" and "Resend Verification Code". The footer contains the text "County of Dane | Contact Us | About Us | Employment | Press Releases" and "If you have questions or concerns about our website please contact our webmaster." along with social media icons for Twitter and Facebook.

This will take you to the alarm home screen, where your options for your alarm registration are available.

**Register New Alarm:** If you are registering on-line for the first time, or did not create an account you will use this option.

**Registration History/Re-register:** Using your login and password you can access info from your last registration, and re-register. If you need to update your account information or change your password, those options are also available here. When you are done, the Log Out function is here.

The screenshot shows the top navigation bar with the Dane County Sheriff's Office logo on the left and a search bar on the right. The main header reads "DANE COUNTY SHERIFF'S OFFICE". Below this is a section titled "ACCOUNT HOME". The content area features five buttons: "Register New Alarm", "Registration History/ Reregister", "Update Account Information", "Change Account Password", and "Log Out". The footer contains the text "County of Dane | Contact Us | About Us | Employment | Press Releases" and "If you have questions or concerns about our website please contact our webmaster." along with social media icons for Twitter and Facebook.

When returning to the registration, if you forget your password, there is also an option for that here.

County of Dane | Contact Us | About Us | Employment | Press Releases  
If you have questions or concerns about our website please contact our webmaster.

Once you click on that, you will be sent an email like this:

Subject: Password Reset

## Forgot Your Password?

Someone (hopefully you) has requested a new password for the Dane Sheriff account for [nyland@danesheriff.com](mailto:nyland@danesheriff.com). No changes have been made to your account yet.

You can reset you password by clicking the button below:

[Reset Password](#)

For security reasons this link is valid for 24 hours.

---

If you need assistance with resetting your password, please contact the Dane County Help Desk.  
Phone : (608) 266-4440  
Email : [helpdesk@countyofdane.com](mailto:helpdesk@countyofdane.com)

When you click on the Reset Password you should be directed to a screen that will allow you to enter a new password.

## Registration:

When doing your Address Lookup, minimal information is the best approach.

Enter the House/Fire number, and the Street Name. The Municipality is starred as a required field, but the Search All is a valid option, so do not modify that field.

### ALARM REGISTRATION

The Dane County Sheriff's Office uses a third party (GovPayNet) to collect the fees for the alarm registration. Each property will have to be re-registered on a separate transaction. GovPayNet charges an additional fee of approximately \$1.50 per transaction.

#### Address Lookup

**House Number \***

**Prefix Direction**

**Street Name \***

**Street Type**

**Municipality \***
